PETITION UNDER 37 CFR 1.182

Sir:

This is a Petition under 37 CFR 1.182 in compliance with the Decision dated October 3, 2001 for the above-identified Patent Application.

The Decision states that the fourth inventor is correctly listed as "Shuji Hagino" in the Declaration but is incorrectly listed as "Hagino Shuji" in the international application.

As stated by Mr. Akihiko Miyazaki of Philips Electronics Corporate Intellectual Property-Japan in the accompanying "Statement of Person Having Firsthand Knowledge of Error," the error was an inadvertent error without deceptive intent and was originally made when Shuji Hagino's name was erroneously entered as Hagino Shuji in an internal document known as an "Inventorship Form" which was prepared by Philips Electronics Corporate

Statement of Person Having Firsthand Knowledge of Error

I, Akihiko Miyazaki, have first-hand knowledge of the error in which the name of "Shuji Hagino" was listed incorrectly in the international application related to this case. I hereby state that the specific circumstances as to how and when the error was made and discovered are as follows.

The error originally was made when Shuji Hagino's name was erroneously entered as Hagino Shuji in an internal document known as an "Inventorship Form" which was prepared by Philips Electronics Corporate Intellectual Property-Japan and sent to Philips Electronics Corporate Intellectual Property-The Netherlands for entering the filing data into the company database. The name indicated (incorrectly) therein was Hagino (Given Name) Shuji (Surname) and was copied by Philips Electronics Corporate Intellectual Property-The Netherlands in preparing the PCT Request for the international application. The error was not identified by Philips Electronics Corporate Intellectual Property-The Netherlands. It is my understanding that the error was first discovered by the United States Patent and Trademark Office.

I hereby affirm that the mistake was an inadvertent error without deceptive intent.

Akihiko Miyazaki
